

♩ = 90 G Cc G Em

1. The wa-ter is wide and I can't cross ov-er, And nei-ther have

I wings to fly. Build me a boat that can car-ry two

And both shall row, my love and I. 2. There is a ship

and she sails the sea; She's load-ed deep, as deep can be.

But not as deep as the love I'm in: I know not how

I sink or swim. 3. Oh, love is gen-er-ous and love is kind, water is wide can't cross over,

The sweet-est flow'r when first it's new. But love grows old And nei-ther have I wings to fly. Build me a boat

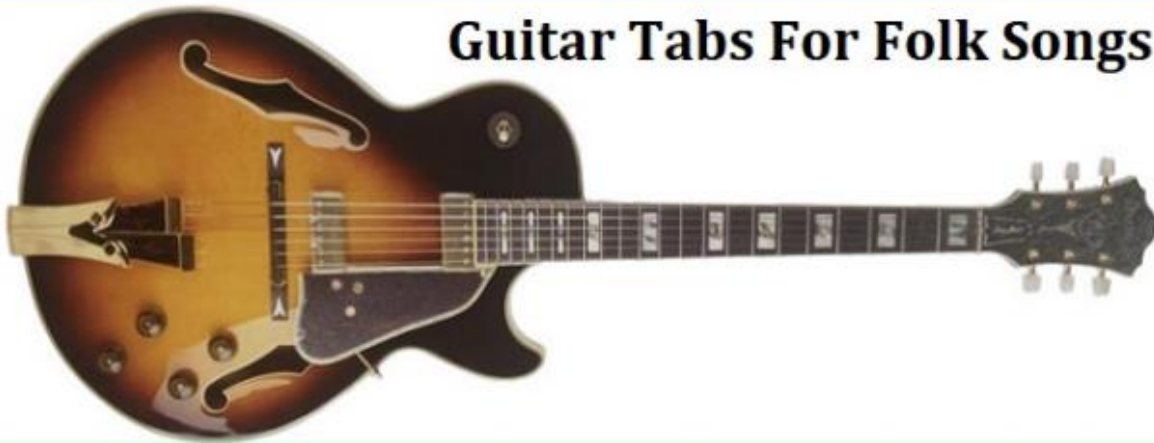

and wax-es cold two And fades a-way row, like morn-ing dew. that can car-ry two And both shall My love and I.
